About the Journal

Open Access Policy

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

Plagiarism Check

Authors should submit only original work that is not plagiarized and has not been published or being considered for publication elsewhere. A plagiarigm checker by using Turnitin will be used by the editorial team to check for similarities of the submitted manuscripts to the existing databases in the literature.

Screening Plagiarism. ELITE Journal helps editors verify the originality of submitted manuscripts. Manuscripts are scanned with Plagiarism Checker and Turnitin database.

If plagiarism is detected, the editorial team will alert the correspondence author who submitted the manuscript to ELITE Journal. If there is found:

5-30% Plagiarism, the manuscript will be sent back to the author for content revision.
>30% Plagiarism, the manuscript will be rejected without going through the peer-review process. The authors are advised to revise the manuscript and resubmit it.
