We encourage all authors to provide figures that are suitable for visually impaired readers. Please refer to the section "Are your figures accessible to all readers?" on our website <https://www.hindawi.com/publish-research/authors/ready-submit/> for advice on how to make your figures as accessible as possible, including guidelines on preferred colour combinations. Please upload any replacement figure files as attachments to the online proofing system.

To expedite the publication of your manuscript, please send us your corrected galley proofs within two days.

Please ensure that you read the proofs thoroughly and make all necessary corrections at this stage. A second round of proofs may be requested only for checking essential changes or major revisions.

Best regards,

I am pleased to let you know that the first set of galley proofs of your Research Article 9887162 titled "High School Education in a Variety of Regional Autonomy: Paradigm and Challenges," is ready. You can apply your corrections directly to the manuscript with the Online Proofing System (OPS).

Using the OPS, you can quickly and easily make corrections directly to your galley proofs and submit these corrections with a single click.

<https://ops.hindawi.com/author/9887162/>

Please note, although all authors can view the proof, it is only the submitting author (the author addressed in this email) who has the ability to edit and submit the corrections. However, the submitting author can log in to the OPS and re-assign the proof to another author if necessary. The submitting author will need to log in with the email address included on this email.

If a new corresponding author is added, they must log into their manuscript tracking system account and add their ORCID ID. Any additional ORCID IDs added on during proofing will also need to be updated on that author's account. Delays can occur if this isn't done.

We encourage all authors to provide figures that are suitable for visually impaired readers. Please refer to the section "Are your figures accessible to all readers?" on our website <https://www.hindawi.com/publish-research/authors/ready-submit/> for advice on how to make your figures as accessible as possible, including guidelines on preferred colour combinations. Please upload any replacement figure files as attachments to the online proofing system.
